DoddSeller is fine, haven't had a chance to use the book.6 of 6 people found the following review helpful. Help with Making Costume JewelryBy M. McDonaldI have made a lot of costume jewelry but enjoyed many of the new tips I gathered from this book. They will add to my pleasure of continuing this fun pastime. Thanks for the great explanations.0 of 0 people found the following review helpful. Waste of money.By Yuki YI can't believe there are no pictures. My friend referred this book to me because it was on sale and because the discount was very large (from \$17 to \$0.99) I thought it might be good. There were also a lot of reviews praising this book but none of them really discuss what is inside. This was a complete waste of my money - I'm just glad I made use of my cousins gift card to me to purchase it.
