Coryn Tanaka, May Masaki : Making Ribbon Leis 2: More Handmade Gifts of Aloha before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Ribbon Leis 2: More Handmade Gifts of Aloha:

1 of 1 people found the following review helpful. The designs are beautiful, but the materials are hard to findBy BigCatFanI wanted to make money leis for my friends for birthdays, so I bought this book to find a style of lei to make. There are many beautiful leis in the book and I'm anxious to make many of them to give as gifts (even without the money). When I went looking for the materials, though (most of the leis I like are made with acetate ribbon), it was difficult to find an acetate ribbon dealer. When I could find the ribbon, I couldn't find the particular manufacturer in order to get the correct colors. Finally, I found a business that listed the ribbon and I ordered most of what I needed. However, it's been 7 weeks and I haven't received the ribbon (all backordered) so I can start any of these leis.

Although the instructions listed make sense on reading, I'm unable to determine if they will still make sense when I actually start the leis. I would have like to see more pictures detailing the steps, but again, I'm not sure if the instructions are easy enough to follow that having the pictures wouldn't add any more insight. I'll update this review when I've had a chance to actually use the book.0 of 0 people found the following review helpful. Five StarsBy ZanyGreat!1 of 1 people found the following review helpful. bookBy anita a.love it, love it, love it. unable to find in any of our hobby/craft stores or book store so glad to be able to order this.

A great follow up to the first book, making ribbon leis 2 continues on its lei making path, this time challenging the reader with more complex and time consuming leis. These may take a long time and require effort, but the finished product is truly breathtaking and very realistic. Fabulous designs that can inspire you to be innovative in your choices of ribbons and design your own.
