Jane Gisby, Sue Quinn : Making Stuffed Toys before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Stuffed Toys:

0 of 0 people found the following review helpful. Old favoriteBy NatashaThese are all super cute and are easy to make; I've made dozens of the kittens and the pup, as well as a couple of the others. I found it at the library ages ago but the library no longer has it. The patterns are not full sized, so some scaling needs to be done but most of the patterns are fairly simple. I highly recommend it0 of 0 people found the following review helpful. This is the greatest book everBy CustomerThis is the greatest book ever!! Great price and fast ship from the seller. If your a craftier and love to sew, this is a complete book with colored pictures and instructions easy to do. I would highly recommend this book.0 of 0 people found the following review helpful. a really great variety of stuffys and dollsBy JANE C. HURTi love this book....saw it at the library, but theres was missing pages...i love the ease it is to use and i love the variety of dolls in it...its got really cute stuffed animal dolls and people dolls...im adding this to my library, at home.

Demonstrating tips and techniques with step-by-step instructions and full-color photographs, a guide to making stuffed animals and dolls offers special advice for beginners.
