**Thomas Freese : Making Wood Jewelry: Southwest Style** before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Wood Jewelry: Southwest Style:

0 of 0 people found the following review helpful. Five StarsBy grandma turnerArrived quickly and just what i needed. Thanks.2 of 4 people found the following review helpful. what is art?By Walter C. JollyI am a wood turner and goofed selecting this book. Upon paging through it, I found it crude and of very little value. I'm sure there will be those who find it interesting and inspirational. I really feel awkward about expressing an opinion about art because weall see things differently. My critic is to be understood as buying the wrong book that did not relate to my search.5 of 5 people found the following review helpful. Making Wood Jewelry Southwest StyleBy Lydia F. BorinThomas Freese has created a book detailing the process of crafting jewelry from wood with the same exacting care he uses to make his interesting and beautifully designed jewelry. The book starts with a discussion of safety aspects, too often missing from craft books. Advice regarding tools, supplies and materials make this an excellent text for beginners and material

on design and its execution have much to offer the more experienced craftsperson. The chapters on finishing and special projects, with their beautiful illustrations are inspiring, as are his use of southwest motifs. The inclusion of templates is an added bonus. The instructions for details and the use of more exotic materials is fascinating. The book is complete with useful information on marketing, bookkeeping and sales.

Craft pins, beads, pendants, and earrings that evoke delightful desert art. Explore options including wood burning, inlaid stones, and recycled exotic woods.

About the Author Thomas Freese works in visual arts and crafts, storytelling, freelance writing, and has authored six books. He creates an exciting line of pins and earrings in Southwest, popular, and Celtic designs.
