Jenny Luan : Mandala Doodle Flower: Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Mandala Doodle Flower: Coloring Book:

3 of 3 people found the following review helpful. The Most Beautiful Mandalas EVERBy Hanford RoseI didn't like mandalas, until I saw the beautiful art of Jenny Luan. I am going to show you some of the pictures that I colored already. I did add a border to one of them. The best picture in this book is not a mandala but a breathtaking drawing of Jesus and a cross. Don't miss it.2 of 2 people found the following review helpful. I enjoy this bookBy CustomerI got the book for me and my mom to color together*36 illustrations*single side*can color by beginner to advanced*60lb paper*has place to sign my name next to artist name*best use with colored pencils, ok to use sharpie and alcohol base marker with paper between pages.I enjoy this book with my mom.0 of 0 people found the following review helpful. I love coloring mandalas this one was no exceptionBy caleb's grannyI love coloring mandalas this one was no exception! I looked the entire book! If u enjoy mandalas buy this book today! Time for another one Jenny!!!

Book Description: Within this flower mandala coloring book you will find 36 pretty, abstract doodle style Mandala flowers. These original hand-drawn floral designs features stylistic roses, flowers reminiscent of pansies and daisies, lotus, daffodils, tulips, sunflowers, marigolds, jasmine, lilies and many other flowers that came from the artist's imagination. You will find other motifs from nature as well, such as insects like bees, butterflies, ladybugs, and dragonflies and some animals such as mice and rabbits. The colorable areas are approximately 7.5"x7.5". Enjoy bringing these beautiful flower mandalas to life with your choice of colors. This adult coloring book is suitable for all ages.
