**Maria Schiavone : Mandala Grayscale Lineart: Adult coloring book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mandala Grayscale Lineart: Adult coloring book:

For centuries mandalas have provided an elevated level of guidance to those seeking peace, inspiration, and a deeper connection to the world around them. This unique The Mandala adult Coloring Book, you can color both grayscale and line-art, giving you the best of both worlds to use these wonderfully design circles to help you find inner-peace and balance in your life. Featuring 27 pages mandala drawings both Gray-scale and line-art, this book encourages your imagination to create vibrant patterns that reveal your hidden artistic-creative potential and using the grays-cale as guide lines for your coloring, the images in this book vary from minimal detail to highly detailed, making it perfect for markers, fine tip pens, color pencils and other forms of media. This Mandala Coloring Book will help you find your

inner-peace and creativity every day by detaching yourself from everyday distractions and unwind with detailed images that will keep you focused and entertained.

About the Author I was born and raised in LA, until the age of 13 when I moved to Puerto Rico for two years, then I finally settled in Florida. I've been drawing since I was two years old and never stop drawing since. I'm currently enrolled in Art school to further sharpen my skill in Illustration and animation. Someday, I'll work for Disney using my artist skills.
