Inc. Sterling Publishing Co. : Mandala Origami Paper Pack: More than 250 Sheets of Origami Paper in 16 Meditative Patterns before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mandala Origami Paper Pack: More than 250 Sheets of Origami Paper in 16 Meditative Patterns:

0 of 0 people found the following review helpful. Uneven paper...By CustomerCant make perfect origami with misshapen paper. The designs are cool, that's why it gets two stars.3 of 3 people found the following review helpful. Paper not perfectly squaredBy E.P.CI give it 2 stars for the pretty designs and for including some blank pages that you can color. My big complaint and why I would not recommend this for an Origami enthusiast is that the pages are not perfect squares. I'm a beginner so maybe I don't know how to work with unevenly cut paper but being unable to achieve a perfectly even diagonal fold causes my Origami project to look messy. One side of the paper was about 1/4 inch longer than the other side. So, if you don't mind paper that's not cut perfectly square, this would be a good product.0 of 0 people found the following review helpful. I love these papersBy ShallowWitI love these papers! Circular designs are not common among origami paper which is a shame because they lend themselves particularly well to symmetrical origami folding patterns. Another reviewer said the pages are difficult to remove because of the binding. While it takes some care, you can remove the papers without too much trouble. I deducted a star because I tore a slight corner off two or three pieces before I figured it out. The paper folds nicely, but is a little thick for

complicated designs requiring a lot of folds. I didn't not find the problem with the paper being off square as mentioned by other reviewers (and I would have noticed, because I've had that problem with other papers). I love the coloring pages which are fun to hand color, but also make beautiful origami shapes in plain black and white. There are a lot of each design (more than most origami packets). I wish there were more designs (fewer duplicates) and a few black and white (uncolored) versions of EACH design. Overall highly recommended!

This beautiful collection of origami papers features the calming, colorful mandala. Relax and de-stress as you fold origami birds, stars, and more. Let these shapes and patterns inspire you! Includes: More than 250 sheets of origami paper in 16 calming, colorful mandala patterns plus black-and-white patterns to color and fold Basic folding instructions, hints, and illustrated instructions for folding a crane and a star
