**Margaret Maidment : Manual of Hand Made Bobbin Lace c.1931 - Excellent Resource for Lace Stitches** before purchasing it in order to gage whether or not it would be worth my time, and all praised Manual of Hand Made Bobbin Lace c.1931 - Excellent Resource for Lace Stitches:

194 Pages. - Reproduction - Whether you are a novice or a seasoned lace maker, you will be hard pressed to find a better or more comprehensive reference or study to make Bobbin Lace than this excellent book. The author has a deep and expert knowledge of lace making technique, and she has dealt with the subject in an exhaustive and thoroughly practical manner. The methods of working, the clear and straightforward descriptions are given in systematic and progressive stages through a large number of diagrams - many of which have been colorized to better explain the process of lace making. This book is not intended to be a book of patterns and designs, this is a technical study of the stitches and the process of bobbin lace to enable the worker to arrange her own patterns. There is a wealth of information here in this valuable and scarce resource book. The chapters of this book are: Egyptian Twisted or Plaited Lace Materials needed to Make Bobbin Lace General Methods Stitches Torchon Lace Torchon Corners Embroidery
