Gorgeous papers, large and no duplicates. I'll be using for collage. I wish the papers weren't a bit glossy, but that's a minor issue.

Give gorgeous presents covered in manuscripts by artists, writers, and poets 12 sheets of beautifully designed, top quality 19.7 x 27.6 inch wrapping paper are neatly folded and glued into a book. Paper is kept tidy and undamaged,

and each sheet can be easily removed when needed, with no need for scissors. Examples include original works by Jane Austen, Leonardo da Vinci, William Wordsworth, Christina Rossetti, and others.

"This year, avoid the usual struggle with rolls of wrapping paper and pick up this nifty gift-wrap book instead. It includes 12 sheets of beautifully designed, top-quality wrap." Style at Home "the joy of it is that your gifts will look as great together as they do separately and you won't have all the fuss of wielding paper rolls." Homes Antiques "...if corners must be cut, all you really need is good wrapping paper. The Pimpernel Press prints paper of Robert Adam designs, British Library manuscripts, VA art deco patterns or Japanese prints (GBP12.99 each). Wrap up some breezeblocks in these exquisite sheets, and they'll look too good to tear." Telegraph "Anyone got any wrapping paper? This is a question that gets bellowed across our office with embarrassing frequency. It's followed by frantic desk rifling as everyone tries to cover up for the fact that we are bad friends. Step up, Pimpernel Press's wrapping paper books" Emerald Street "wrapping presents will be quite different this Christmas ... you may never struggle at home with rolls of wrapping paper again" Gift Focus Newsletter "Breathtakingly wonderful, and make for the best and most original wrapping paper we've ever seen." A Little Bird An Insider's Guide to London About the Author The British Library is the national library of the United Kingdom. The library is a major research library, holding around 170 million items from many countries, in many languages and in many formats.
