**Anne Chambers : Marbling on Paper Using Oil Paints** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Marbling on Paper Using Oil Paints:

0 of 0 people found the following review helpful. Disappointing. By Janice Ray Not at all what I was expecting. Way too technical for what I wanted.

Shows how to learn the process of marbling with oil paints to create unusual and original papers. The book features: a comprehensive list of materials and equipment needed; advice on choosing and mixing colours; a guide to the methods of working; and a useful list of techniques.
