Margeau Soboti : Margeau Chapeau: A New Perspective on Classic Knit Hats (Dover Knitting, Crochet, Tatting, Lace) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Margeau Chapeau: A New Perspective on Classic Knit Hats (Dover Knitting, Crochet, Tatting, Lace):

2 of 2 people found the following review helpful. Very well photographed basic hats, excellent directions with one huge exception. By Quickbeam This book has 14 patterns for basic hats. These are fundamental hats well executed with very clearly written instructions. Soboti makes routine hats look good. No hat here is terribly difficult and all are modern and wearable. This is a good sized book with multiple clear photos of each hat. Don't look for anything advanced or challenging. My big misgiving for this book is that 7 out of the 14 hats are shown with gorgeous,

magnificently made pompoms. They are even, color balanced and perfectly sized. They bring a lot of pizzazz to these hats. Problem is that there are no instructions anywhere in this book on how to make a pompom. Since this is a very basic hat book, why would you assume the user could make a perfect pompom on their own? I can't answer that, I am reducing my rating to 4 stars because the book should have included instructions (even just once) on how to make a pompom. 0 of 0 people found the following review helpful. Which one to start? By Always Reading Lots of lovely patterns, can't wait to start one but which one? 1 of 3 people found the following review helpful. Cute and Easy By Lyndsey Williams I haven't made anything yet, but these look like mostly easy cute patterns.

Let Margeau show you how to knit the hat of your dreams, from a stylish tweed cap to a playful beanie or a classic beret. Fifteen patterns, all well within the capacity of novice knitters, include earflap caps, a turban headband, watch caps, and other items. The designs offer a variety of attractive silhouettes and shapes, from fitted, traditional items to slouchy, trendy hats. Suggested yarns range from affordable to luxury, all chosen for their softness and sophisticated color palette. Margeau Soboti is a hand knit and machine knit designer with a BBA in Design and Management from Parsons, The New School for Design. A former editor at Vogue Knitting magazine, her designs have appeared in that publication as well as in Knit Simple and Noro magazines. She has also worked as a sample knitter for fashion-forward knitwear designers, including Wool and the Gang. More of her work can be found at www.margeausoboti.com.
