Bina Abling : Marker Rendering for Fashion, Accessories, and Home Fashion before purchasing it in order to gage whether or not it would be worth my time, and all praised Marker Rendering for Fashion, Accessories, and Home Fashion:

0 of 0 people found the following review helpful. The Essential Marker Rendering BookBy ElenaFantastic book. I recommend this for artists who use markers, no matter if you consider yourself a novice or an expert. There are great illustrations here that explain themselves, but the instructions are also suburb. This is the kind of book anyone can learn from, even if you think you know it all. I learned a lot of easier ways to render fabric that I already knew how to render, for example.0 of 0 people found the following review helpful. Five StarsBy valerie marcus ramshurwonderful book0 of 0 people found the following review helpful. Five StarsBy AmmyGreat for learning how to render with markers!

With the growing trend of licensing apparel, accessories, and home fashions under a single logo, today's students must expand their portfolios to include concepts with broader applications. *Marker Rendering for Fashion, Accessories, and Home Fashions* provides detailed instructions for marker rendering methods relevant to a variety of products. Allowing designers to express their ideas immediately, the marker is an essential tool for the design professional. The author's step-by-step instructions provide a sound introduction to the skills that students need, and teaches methods of overlapping media applications for an assortment of colors, patterns, and materials. The lessons are taught as a progression of skills, building slowly from basic to complex rendering methods used in the design industry today.

About the Author Bina Abling teaches in the Fashion Design departments of FIT and Parsons School of Design in New York City. She is the author of *Fashion Sketchbook*, 4th Edition, *Advanced Fashion Sketchbook*, *Model Drawing*, and *Marker Rendering for Fashion, Accessories and Interior Design*.
