By Judy M Johnson This is but one more of Mary's wonderfully creative...well...creations. With this you get to play paper dolls with sets and scenes. Always so charmingly painted. Have loved her work for many years...since the mid 70s when people saw her cards in stores and

thought they were mine! Nice compliment to me.0 of 0 people found the following review helpful. Five StarsBy CustomerPerfect condition. Love the paper dolls.

Ann Estelle's Celebrations in Paper Dolls (Leisure Arts #5254) by Mary Engelbreit is a beautiful holiday-inspired collection of paper dolls and accessories. Lovingly hand drawn by the artist, Ann Estelle and her charming friends were featured as nostalgic paper dolls in Mary Engelbreit's Home Companion magazine. Now, Ann Estelle, Gracie, Mikayla, Michael, and Audrey Ann are paper dolls once again! You can cut out the little characters and easily dress them in the outfits provided. They're perfect for playtime fun or just for displaying in front of their clever background scenes. Themes include an Easter egg hunt, Halloween dress-up, a spring day, a patriotic picnic, Christmas, and more. Several can be enhanced with easy 3-D effects!
