Paul Huson : Mastering Herbalism: A Practical Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Mastering Herbalism: A Practical Guide:

0 of 0 people found the following review helpful. Well written and perfect for beginners such as myself it even has recipes ...By Sharice Fankhauser Well written and perfect for beginners such as myself it even has recipes and directions. It gives you a list of where you can buy the herbs and how to use them. I love this book.0 of 0 people found the following review helpful. Less medical, more history and loreBy KenzieA lot is this is the history of herbalism. I wanted something a little more on the medical side.0 of 0 people found the following review helpful. This is a must

read for anyone!By George T.This book is presented in an easy to follow way. The information in the pages of this book is more valuable that words can describe. I love this book!

Mastering Herbalism shows how to make jams, sauces, soups, meat, desserts, beer, wine, teas, perfumes, incenses, beauty products, cures, aphrodisiacs, and potions with a variety of herbs and spices.
