Problem with Lotidan Books defective copy was promptly resolved . . . by overnight replacement. The book is a great resource.0 of 0 people found the following review helpful. A great book for anyone with an interest in artBy SamanthaI purchased this book as a gift for my partner. He is very active creatively, and has begun to delve into the world of collage. This book has served as inspiration for him, and I enjoy flipping through it as well. There is great quotes scattered throughout, background information on the artists and materials to read, and of course the artwork itself is phenomenal and high quality. This book now lives on our coffee table. I highly recommend for any art lover.0 of 0 people found the following review helpful. This is a beautiful book. Through this book I discovered many collage ...By Michele HoganThis is a beautiful book. Through this book I discovered many collage artists I hadn't heard of who are so inspiring. After reading this book, I took Randel Plowman's online collage course, which was great and I highly recommend to anyone interested in working in collage.

Meet the Masters of Collage! Versatility, innovation, inspirationthat's what The Masters series offers artists and crafters, and this superb new collection offers a stunning look at contemporary collage work from approximately 40 leading artists. It features a breathtaking mix of techniques from traditional cut-and-paste to digital to collage with paint or encaustic, and styles ranging from wildly playful and colorful to evocative, almost monochrome images.Each highlighted master takes center stage in an informative eight-page feature that includes nearly a dozen gorgeous, high-quality photos plus a short essay by curator Randel Plowman placing the impressive work and its creator in context.

The innovative featured artists include:Cecil Touchon - Jonathan Talbot - Lynne Perrella - Lynn Whipple - James Michael Starr and others

About the AuthorJuror Randel Plowman graduated with a BFA in Printmaking. He has worked in collage since 1982 and his art has been exhibited in solo and juried exhibitions throughout the United States and abroad. Plowman's work has been cited in numerous publications, including The New York Times and USA Today; been featured in How Design magazine and Artist Magazine; and been used as cover art on numerous books.
