May Martin : May Martins Sewing Bible: 40 years of tips and tricks before purchasing it in order to gage whether or not it would be worth my time, and all praised May Martins Sewing Bible: 40 years of tips and tricks:

8 of 8 people found the following review helpful. Very Dissapointing BookBy Brenda LayoutThe first half of this book has great information and tips. The second half has projects, most of which are really boring and useless and what you find in every other how to sew book. Then there are some projects that you need to buy the pattern, and the directions on these projects are incomplete. You are told how to do a specific step and then told to follow pattern. This second part of this book is of no use at all. It is quite a disappointment.6 of 7 people found the following review helpful. Not too many instructions about techniques, rather more crafting ...By CustomerNot too many instructions about techniques, rather more crafting projects. A bit disappointing if you are looking for a lot of sewing techniques and dressmaking instructions.

Star of the Great British Sewing Bee and doyenne of the Womens Institute, May Martin has been teaching sewing for over 40 years. Now for the first time she shares her tips and tricks, offering the ultimate beginners guide to sewing. Beautifully styled and simple-to-follow, this authoritative sewing bible gives readers information on everything they need to know to get started with sewing. Providing all the essential background information on sewing, setting up your sewing space and detailed lists of all the equipment you'll need; step-by-step instructions for over 40 projects; and a wealth of general sewing tips and techniques to help you finally master overlocking, seams, fastenings, hemming and much much more, with this book May will simplify all the skills and terms you need, demystify sewing and inspire you to unpack your sewing machine and have a go. It contains over 40 beautiful projects, including crafts, accessories, womenswear, kidswear, menswear and home furnishings. With a range of difficulties for each category from super-easy but stylish ideas to get even the most nervous sewers started to more elaborate ideas for the aspiring sewer looking for a challenge.

About the Author May Martin has been teaching sewing for over 40 years. She is now a judge on Great British Sewing Bee.
