Pip Lincolne : Meet Me At Mike's: 26 Crafty Projects And Things To Make before purchasing it in order to gauge whether or not it would be worth my time, and all praised Meet Me At Mike's: 26 Crafty Projects And Things To Make:

2 of 3 people found the following review helpful. cute but not amazing By Menot what i expected, someone had said they would want this book if they were deserted on an island, i thought it would be spectacular, it was cute at best 5 of 7 people found the following review helpful. EXCELLENT BOOK! By Kerry Delightful book! Beautiful photography, a real joy to look through, Unique projects and great complete directions! Most of the projects are sewing projects which is also a huge plus!! 2 of 2 people found the following review helpful. Very cute and nice to look at, but very hard to understand! By Sarah Lee No, this book is just awful. I gave it an extra star for the brightly colored cute scrapbook looking pictures, which is also the reason I hated it and marked it down multiple stars. The funky scrapbook feel would have worked much better if they actually were the projects and supplies being used, however most of the pictures are just kitschy and totally unrelated to any of the projects in the book. Most of the projects in the book I'm not even interested in. I think the projects are all over the place as well. There is nothing that ties this book together with a set type of projects, type of craft, etc...it's just all over the place and somewhat confusing. The few projects I looked at were difficult to understand and I have experience. If this is meant for newbies then a big no, no, NO!!! This will just

confuse any newbie with little experience. Though the projects are simple enough they might be able to complete them if they can get past the wonky instructions.

Meet Me at Mikes is a cornucopia of crafty fun and inspiration. Queen of Crafters Pip Lincolne has gathered 25 of the best projects from the country's most creative cleverbods - everything from baby yoga pants and clutch purses to hankies and softies. You can sew, knit, crochet, collage and screenprint yourself into a frenzy! Each cute and quirky project comes with easy-to-follow instructions and full-size fold out patterns. With such a fabulous range of ideas, you'll find something to make for all your favorite pals. If you're looking for fun and creative things to brighten up everyone's day, have a peek inside and get crafty!
