**Sharon Bennett : Men's Motifs: Over 350 Designs for Crafters to Copy and Use (Crafter's Design Library)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Men's Motifs: Over 350 Designs for Crafters to Copy and Use (Crafter's Design Library):

This is the perfect encyclopedia of designs and motifs for those hard-to-craft-for male members of the family, ideal for everyone from the sports fan to the car enthusiast. The essential techniques of transferring and combining the royalty free images are covered to give you the encouragement and confidence to go on and develop your own ideas. The project gallery includes a variety of crafts, including glass painting to create a golfer's tankard, papercrafting to create

greeting cards and applique to create a holder for an mp3 player. Inspiration can be found on every page and with 350 images to choose from you can be certain of finding the perfect design for all of your craft projects.
