**Carolyn N. K. Denham : Merchant Mills Sewing Book: Hand Sewing Techniques / Machine Know-How / Tools / Notions / Projects / Patterns** before purchasing it in order to gage whether or not it would be worth my time, and all praised Merchant Mills Sewing Book: Hand Sewing Techniques / Machine Know-How / Tools / Notions / Projects / Patterns:

4 of 4 people found the following review helpful. Wonderful for the beginning sewerBy WGRI had a hard time finding a decent book for a male starting out in sewing. This fit the bill with challenging fun projects I didn't mind making. I is well constructed with an almost art book feel. I really enjoyed the book and would highly recommend it5

of 5 people found the following review helpful. just like pins and scissorsBy Kristine SouthgateTools, tools, tools, just like pins and scissors, books that teach and have techniques should be in their own little category, they save hours of internet searching for the answer to the issue.3 of 3 people found the following review helpful. clear instructionsBy Nancyclear, beautiful illustrations. has a vintage vibe to it, but contemporary directions.

With an emphasis on quality materials, careful craftsmanship, and simplicity, Merchant Mills Sewing Book presents 15 functional, beautiful projects. Crafters and aspiring designers will master hand- and machine-sewing techniques, learn about fundamental tools and materials, and improve their tailoring skills before sewing timeless projects such as a maker's apron, bolster cushion, flight bag, classic shirt, and more. Reflecting the distinctive utilitarian style of Merchant Mills, this book reminds readers to keep it simple and do it well, and makes a handsome addition to any craft library.

About the AuthorCarolyn N. K. Denham is the co-founder of Merchant Mills, which produces a range of patterns and kits and sells high-quality sewing notions. Merchant Mills products are sold across the world, and the company is based in East Sussex, England.
