Margaret Stove : Merino: Handspinning, Dyeing and Working With Merino and Superfine Wools before purchasing it in order to gage whether or not it would be worth my time, and all praised Merino: Handspinning, Dyeing and Working With Merino and Superfine Wools:

3 of 3 people found the following review helpful. Excellent book, it hasn't lost it's value over the years.By ShirleyThis book is an excellent resource. Years ago it held the key to spinning lace weight yarn for me. All the information is there still. It's clear and concice with great illustrations. I'd love to see it back in print.0 of 0 people found the following review helpful. a gemBy Janice VavraA gem! Rereading again!0 of 0 people found the following review helpful. Five StarsBy SusanVery good book.
