Mette Pederson : Mette Units 4: Rings before purchasing it in order to gage whether or not it would be worth my time, and all praised Mette Units 4: Rings:

In Mette Units 4: Rings, Mette introduces twelve new models of modular rings. She also explores using non-typical paper types and sizes such as self-sticking notes, A-4 paper, 8 1/2 x 11 paper, and business cards. All assembly instructions are in color. And, as in all her books, Mette Pederson's instructions are clear, straight forward, and easy enough for even beginners to follow. This book was previously self-published.

About the AuthorMette Pederson has been folding paper since 1991. She is a computer programmer in Raleigh, North Carolina, U.S.A, where she is a member of TOFU (Triangle Origami Folders United). She has been attending and teaching at the Origami USA and international conventions since 1993. Mette has written eight modular origami

books. .
