The diagrams are in color, which I like.The other thing that I like is that the designs look good without being overly complicated. Since it involves cartoon characters, the colors are simple with not a lot of shading (i.e. color changes) that make things more time consuming and difficult. Generally, red is red and blue is blue, not like the 8 different shades of brown in the teddy bear design I'm currently working on out of another book.There are also lots of sports designs in here, which your little sports fans will like. There are at least two football, one soccer, and a few baseball ones. I'm thinking of changing the colors on the football ones to reflect our local college team for a fan, which, since the overall color schemes are pretty simple, won't be too hard to
