PetroskyI have enough books on the MiG 15 that give a history and photos but needed good drawings in my favorite scale (1/48) that show the panel and rivet detail on the airframe to use as a modeling reference. These Scale Plans books fill the bill perfectly. Just excellent drawings and inexpensive to acquire. Very highly recommended!1 of 1 people found the

following review helpful. Nice!By William R. MosbyPrecise, clear drawings. A few fuselage and wing sections would be nice, but one can glean about all one needs from the other views.
