Ann Veronica Moore : Milanese Lace Designs (Ann Moore's Lacemakers' Collection) before purchasing it in order to gage whether or not it would be worth my time, and all praised Milanese Lace Designs (Ann Moore's Lacemakers' Collection):

0 of 0 people found the following review helpful. A Really Disappointing TransactionBy Broom RiderA great book with good information for the lace maker. Too bad it didn't arrive on the first promised date or on the second or third. At least I got my money back. is always reliable but the people who shipped this book are not. Avoid them like the plague.
