0 of 0 people found the following review helpful. Best soap making resourceBy Chowder HeadBEST soap making books. Anne Watson's books are the absolute best. Clear, concise accurate info and easy to follow instructions. After looking at many books and online articles on soap making with conflicting and confusing instructions, I almost didn't want to make soap. Following her instructions and recipes and you will succeed. I've been making soap for about five years now with consistently good results. I own her basic soap book and the milk soap book and use both.
