And I was happily surprised to see that the "Mini" description isn't really true, there are plenty of designs for truly miniature ornaments, but also a number of designs for larger ornaments, it's just a terrific collection of designs, lots of variety and very well done.0 of 0 people found the following review helpful. Great designs!By Carol FisherLove these designs! I make ornaments for Christmas gifts and these are beautiful designs.0 of 0 people found the following review helpful. Adorable OrnamentsBy t2tiggerAnother great book for beginners to experts. I love doing this ornaments while watching TV with the family so I can include them in my Christmas cards to family/friends. A very simple way to pass on the sentiments of the holidays to those you love.
