Linda Spratley : Mini Knits for the 1/12 Scale Dolls' House before purchasing it in order to gage whether or not it would be worth my time, and all praised Mini Knits for the 1/12 Scale Dolls' House:

1 of 1 people found the following review helpful. Still GreatBy Mary loves MurderMarveloious - even includes some patterns for the tiny "rubber babies", very hard to find patterns for.2 of 2 people found the following review helpful. Hard to find a book that contains the information that this has.By JoanneI would recommend this book for miniaturists, lovers of doll houses, and/or knitters and crocheters that enjoy tiny handwork. A very good compilation of patterns and information.1 of 1 people found the following review helpful. Tiny knittingBy BethBakesMini Knits for the 1/12 Scale Dolls' HouseI love the patterns in this book! The directions are very clear so far. I've only browsed through it in it's entirety, but I've knitted one outfit and am working on another one. Now, if only my hands will cooperate.

The perfect final touch for a truly charming dollhouse: hand-knit wardrobes for the whole family! All 40 original patterns feature fine-finish knitting threads just right for the 1/12 scale miniatures. Cuddly projects for babies include layette, lacy gown, cape, hooded jacket, leggings, vest, and slippers. For older children choose among styles of dresses, suits, and sweaters. Fashion your adult wardrobes from dresses and suits, sweaters and shawls, hats and ties. You can even knit home furnishings, including a tablecloth and place mat set, blanket and cradle set. Illustrations and instructions show how to adapt patterns to different eras and fashions.

About the Author Derek Jones began his career in the woodworking industry as an apprentice to a cabinetmaker, learning on the job the meticulous skills needed for fine furniture making. He later took on his own furniture commissions and is now the editor of Furniture Cabinetmaking magazine. Derek is also the author of French Polishing and Bird, Bee Bug Houses.
