**Lark Crafts : Mini Skein Knits: 25 Knitting Patterns Using Small Skeins and Leftovers** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mini Skein Knits: 25 Knitting Patterns Using Small Skeins and Leftovers:

3 of 3 people found the following review helpful. Nice variety of small projects that can be completed quickly. By Delily I love the projects in this book. I love the patterns. I love the color choices. This is a book that uses small amounts of yarn of different colors to make completed projects. I like small projects which can be completed quickly and which use up small bits of yarn. This book is filled with that sort of thing. I think these projects are probably too challenging for a beginner but if you're an experienced knitter this would be a great book to add to your collection. I bought this book for a gift but I may have to buy a copy for myself! 6 of 6 people found the following review helpful. Enjoyed patterns By Yarnfinder Well I am biased since I love color work. However, I found many patterns I would love

to make, so it was too sad to give it to my daughter and not keep it for myself. Hmmm I may need my own copy!11 of 12 people found the following review helpful. Great for stash busting or mini skeinsBy ClaireThis book has a range of patterns to use up those ends of yarn from other projects or to knit up your new mini skeins. The projects are mostly smaller items which I like since they seem very achievable in a reasonable time frame. Good pictures and directions with the right level of detail.

Mini skeins are the hottest new trend in the fiber world and this collection of 25 knitting patterns will give you plenty of ideas on how to creatively use these tiny collectible skeins. Create 25 beautiful patterns that range from a woman's striped crewneck pullover and cardigan to a slouchy beanie and a trio of matching winter accessories to a hanging kitchen towel and coffee cup cozy. This is also the perfect pattern collection for using up leftover yarn. Mixing and matching mini skeins with yarn leftovers will make a colorful and budget-savvy new project.

About the AuthorVeteran and up-and-coming knitwear designers are featured in this collection, including Carol Sulcoski (author of Sock Yarn Studio and Lace Yarn Studio, both from Lark Crafts), Andi Smith (author of Big Foot Knits) Yelena M. Dasher (published in Knit Simple magazine), and Claire Cromwell (published in Vogue Knitting).
