**Merrill Lindsay : Miniature arms** before purchasing it in order to gage whether or not it would be worth my time, and all praised Miniature arms:

0 of 0 people found the following review helpful. Miniature Arms publication was a must have.By Retired GeekThe miniture Pistol featured on the cover was built by my father. I had a copy that had become tattered over the years. It was a real find to have a copy in such great condition.I will put this one away in a safe place for future generations.0 of 0 people found the following review helpful. Five StarsBy Todd MeyersFast shipping, Book was as described, Thanks
