Linda Repasky : Miniature Punchneedle Embroidery: Simple Techniques, Beautiful Projects before purchasing it in order to gauge whether or not it would be worth my time, and all praised Miniature Punchneedle Embroidery: Simple Techniques, Beautiful Projects:

0 of 0 people found the following review helpful. Great ideas!By DianeA valued addition to my sewing library. Full of ideas that can also be used in needle felting or rug hooking. I already finished an adaptation of one of the patterns as a small blanket that I put over the back of a ceramic sheep bank that sits in my sewing studio. Now I have to fill her up so I can add to my wool stash! :)0 of 0 people found the following review helpful. miniature punch embroideryBy Daryl BakerI wish I would for received iron on transfers with my order, other wise the book is very informative and gives me ideas on what i can do on my own. This book is very good for someone starting out on punch embroidery. The

projects are small and not difficult.0 of 0 people found the following review helpful. Good info for allBy
CustomerGood information for a first time punchneedle beginner
