Rosie Grinstead : Miniature quilts from the Quilters Guild of Greater Kansas City (Quilt Guild series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Miniature quilts from the Quilters Guild of Greater Kansas City (Quilt Guild series):

5 of 5 people found the following review helpful. Very Good!By E. PenningtonI have this in my collection. It has wonderful patterns -- all of which have paper templates, however the quilts have hundreds of pieces in them and can be very time consuming to piece. I made the "Jacobs Ladder" quilt in the book and it took forever.I would suggest you buy it, if you don't mind time consuming projects. The end result will be worth the effort.
