Nancy Srebro-Johnson, Mark Wilber : Miniature to Masterpiece: Perfect Piecing Secrets from A Prizewinning Quiltmaker before purchasing it in order to gage whether or not it would be worth my time, and all praised Miniature to Masterpiece: Perfect Piecing Secrets from A Prizewinning Quiltmaker:

0 of 0 people found the following review helpful. Five StarsBy Customerlove the patterns3 of 3 people found the following review helpful. Very disappointing.By Emily J.I was very disappointed in this book and would not recommend it at all. The methods are outdated, and even though it would seem to from the title, it doesn't provide anything to help the miniature quilter at all. Making little blocks doesn't make a quilt a miniature.

Provides general instructions for making quilts along with 12 patterns, with step-by-step instructions and color photos.
