Ruthie Marks : Mirror Image Scarves | Crochet | Leisure Arts (6805) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mirror Image Scarves | Crochet | Leisure Arts (6805):

3 of 3 people found the following review helpful. This book is great if you are a beginning crocheter By Sophie Mae This book is great if you are a beginning crocheter. It has full color pictures and easy to read and understand instructions. I am very happy with the book. 4 of 4 people found the following review helpful. Five Stars By AMS Looks great. A good stash buster set of projects. 0 of 0 people found the following review helpful. Took a Long Time to Receive, But Worth It. By Rene Mcintyre I love this book! It has all sorts of ways to mirror crocheted scarves and allows for variations on the main theme. What I did not like is that it took so long to get to me: the delivery date was extended once by the seller. I don't mind long delivery dates as long as you keep your word, but the original delivery date was quite long enough. For it to be extended seemed a bit much. Getting back to the book, I recommend it for all crocheter's, beginner or advanced, especially scarf lovers!

6805 Mirror Image Scarves Creating beautifully symmetrical scarves is easy with the designs in Mirror Image Scarves from Leisure Arts. The technique involves crocheting half of each scarf at a time, working along opposite sides of the foundation chain. Reflecting the finest architecture of nature and man, these eight scarves by Ruthie Marks borrow their shapes from rolling hills, babbling brooks, intricate bridgework, and ornate arches. All designs are for Easy skill level, using yarn weights from medium to super bulky.

About the Author Ruthie Marks has been hopelessly in love with crochet since learning how after retirement. Her innovative designs have appeared in numerous books and magazines, as well as on the websites and promotional materials of major yarn manufacturers. Favorite projects are scarves, cowls, shawls, ponchos and other wraps, simple garments, afghans, and other household items. Ruthie and her husband, Roger, live off the grid in a solar-powered home he designed and built in California.
