Massimo Alberini : Model Soldiers Armies in Miniature before purchasing it in order to gage whether or not it would be worth my time, and all praised Model Soldiers Armies in Miniature:

0 of 0 people found the following review helpful. Excellent Summary of Model SoldiersBy danny boyThis is a great looking book. It contains full colour pictures of various types of toy and model soldiers from all the well-known makers during that time. Many of the makers have now disappeared. If you are starting into collecting miniature figures, this is a great book as a primer.

Hard Cover; Near Mint; Illus. color boards, bright clean. Plain endpapers, A Color Treasury of 110 photographs and b/w illus, of Armies in Miniature. Toy soldiers at their best. Internally tight and clean. A NEAR MINTcopy. [Hertford, NC]
