2 of 2 people found the following review helpful. Fantastic bookBy AnnadolynI have every chain mail book known to man (and woman), and I think this is one of the best. I use Post-It notes to indicate which projects I want to try in all my books, and this particular book almost has more Post-Its than actual pages. It's definitely one of my favorites!5 of 5 people found the following review helpful. Design ideasBy Gwen B.I love Marilyns designs and ideas. The book is well written, gives basic info and new ideas and is a good addition to my Chain Maille book library3 of 3 people found the following review helpful. Five StarsBy MarellynEasy to read and understand. Beautiful pics and instructions

Renowned designer and teacher Marilyn Gardiner has a contemporary chain mail style which is wearable for a night

out, to wear to work, or many other occasions. Marilyn teaches jewelry makers how to express their creative side by making over 24 jewelry pieces that incorporate favorite chain mail weaves into eye-catching necklaces, bracelets, and earrings. This sophisticated jewelry also incorporates gorgeous beads to make each piece unique and adaptable, so jewelry makers can bring their personal style to each finished piece.
