Yes: circa the late 1960s but they really do stand the test of time, in my opinion. All done in chain stitch and stem stitch. Gorgeous colors and very nicely proportioned embroideries. The book includes black and white line drawings for each project. And, by the way, "Ike" is a woman.0 of 0 people found the following review helpful. what a gem!By CeeSo happy to have this gem. Excellent seller, excellent price, excellent book and instructions. Come winter weather, I shall dig in to some of these designs.1 of 1 people found the following review helpful. Modern EmbroideryBy Ginny MapesWritten in the 1970s this book is still a treasure for designers, crafters, and textile creators. It is certainly a book a collector will want. Designs are simple and timeless.

Embroidery patterns published in 1972.
