book. There are some great designs included with the book as well as very helpful step by step instructions complete with full color pictures. Lisa also gives direction as to hooping and proper stabilizing for excellent results. A section on applique and a very nice monogram are included as well. You will not regret this purchase. 4 of 4 people found the following review helpful. Great book to add to your learning library By jmsva Great book to have. I am brand new to machine embroidery and this is going to be a major help.

Discover The Magic of "In The Hoop" Embroidery! Go from plain to personalized with embroidery from Pickle Pie! If you are just getting started with your embroidery machine, this book offers the know-how you need to embroider like a pro and create endless embroidery style. Inside, you'll find detailed step-by-step instructions along with essential information about stabilizer, thread, fabric, hooping, and more. You'll learn how to create fashionable appliques and custom monograms, as well as amazing in-the-hoop embroidery projects that take full advantage of today's embroidery machine capabilities. Plus, you can get creative with a DVD of 25 must-have embroidery designs, including three in-the-hoop projects and a complete alphabet. All this, topped off with expert advice from author Lisa Archer, makes stitching professional-quality embroidery as easy as (pickle) pie!
