Dr. James Minoru Sakoda : Modern Origami (Dover Origami Papercraft) before purchasing it in order to gage whether or not it would be worth my time, and all praised Modern Origami (Dover Origami Papercraft):

Clear instructions, diagrams, drawings, and photographs help you complete over 60 fascinating projects from the relatively simple four-point star, water lily, and sitting crane to the more complex ballet dancer, Egyptian cat, and dachshund. Challenging subjects for intermediate and advanced paperfolders. Over 500 black-and-white illustrations. New Preface by author.
