I'm not sure it's worth what I paid for it, but it does have a few cute stitches. If you buy it, get it cheap.7 of 7 people found the following review helpful. Wonderful Projects!By D. JeffersDefinitely worth 5 stars! Unique and darling projects covering all kinds of embroidery. Can't wait to make the alphabet sampler on the cover!5 of 5 people found the following review helpful. Very CuteBy RAVENFirst I fell in love with some of the ideas. Then, I realized this book actually has stitches I haven't seen in other books.Nice to have for other future projects.All of the patterns include stitch guides. Worth the purchase.

Cute alert! Embroidery basics and adorable projects from the editors of Mollie Makes.Embroidery has been experiencing a renaissance among sewists and DIY crafters and is becoming more and more popular among young

crafters. This adorable new book from the team behind Mollie Makes is all one needs to learn how to embroider. Aimed at complete beginners, it's also perfect for those who have completed their first projects and are looking to move on. Basic embroidery stitches are clearly explained with step-by-step illustrations. Mollie Makes Embroidery covers how to work from charted designs as well as following freeform or "doodle stitching". There are also brief tutorials on crewel work, ribbon embroidery, bargello, cross stitch, and even machine embroidery. This is far from fusty, old-fashioned samplers however. Over 15 contemporary projects from an international range of designers demonstrate the different ways in which embroidery stitches can be used. The book focuses on ideas for using needlework pieces around the home: pillows, table runners, ornaments, wall decor, etc., but also includes jewelry, bags, and gift ideas.

"Mollie Makes Embroidery is full of a great selection of projects using a wide variety of techniques. Cross stitch, silk ribbon embroidery, crewel, Bargello, plus a ton of others. One of the things I've always loved about Mollie Makes books is that they present finished projects, not just a pattern. There are so many unique ideas for ways to use your embroideries." --Hugs Are Fun
"I do love a good craft book. One that I can keep going back to flip through the pages and see something new every time, no matter how many times I've looked. This book is definitely one of those. And it's only \$20, which is a small price to pay for such inspiration! I LOVE Mollie Makes!" --Schnitzel and Boo
