Gay Merrill Gross : Money-Gami before purchasing it in order to gage whether or not it would be worth my time, and all praised Money-Gami:

2 of 2 people found the following review helpful. Money-Gami is an excellent book with a variety of folds at different levels ...By katherine rileyMoney-Gami is an excellent book with a variety of folds at different levels of difficulty. A beginning folder could easily progress from simple through intermediate and on to challenging. More advanced folders can review the very effective simple models and enjoy some more difficult new ones. Adjustments for different currencies, even including the directions for cutting rectangles to match the proportions of specific bills mentioned in the directions are most helpful. As with her past publications, Ms. Gross has written clear, specific, consistent

directions--one of the trademarks of her books. Money-Gami is a great addition to any folder's personal library.2 of 2 people found the following review helpful. great instructions for creative origamiBy mstuckey3678Instructions are very clear, which provides the thrill of an accomplished origami design! Exceptional when you use real money! Kit provides money from around the world.0 of 0 people found the following review helpful. I purchase always Gay. Gross's books because of her ...By Eileen HI purchase always Gay . Gross's books because of her clearly done directions and new ideas!

Money-Gami is your perfect introduction to paper-money folding - inside, you'll find everything you need to get started, including a 56-page illustrated book, 56 pieces including seven different currencies to practice with. There are even three specially-sized papers to make your own wallet. Easy-to-follow illustrations and step-by-step instructions will have you folding these beautiful Money-Gami figures in minutes!
