**Marilyn T. Magly : Monk's Cloth Diamond Afghans** before purchasing it in order to gage whether or not it would be worth my time, and all praised Monk's Cloth Diamond Afghans:

Very nice designs and good explanations. 8 different designs all on month's cloth for afghans or runners. Just one regret: the designs are black and white so it is not so easy to distinguish the different threads. For me, the best book I have about swedish weaving.

I am on the first one and enjoy using the guide. I am a beginner and it works for me!! I like that it gives you many options, plus you can design your own from the ones given so I am very happy.

Love the patterns. I do wish that the charts were done in color. That being said, the shading from dark to light black for the different rows for each color of yarn is of some benefit. Older eyes may have issues with that. Maybe something to consider if you reprint in the future.
