Pages are of "thicker" stock--compared to the original edition. And, there's a ribbon.Gary would be proud!Highly recommend it.0 of 0 people found the following review helpful. Five StarsBy CaroleThis was a great gift for a DD fan!0 of 0 people found the following review helpful. the new covers are fantastic.By Rob E. Brownhelp support the gygax memorial and purchase this book. the new covers are fantastic.

Miniature version of the classic ADD accessory, Monster Manual. For a brief time, a company in Italy called Twenty First Century Games produced licensed miniature reproductions of classic ADD publications. Each has been exactly reduced to a size that will fit in the palm of your hand. Yet, each is usable readable, though a magnifying glass may be handy!
