10 of 10 people found the following review helpful. Great beaded purse book By Mrs. Alice S. Franceschini If you ever wanted to knit one of those antique beaded purses that have a scene, this book will instruct you how. Such a wealth of information and images and patterns. It also tells you how to lock your bead in your knitting so it does not slip to the back. AND it has a new way of knitting so your purse isn't twisted. It also has the old knitting instructions. Great book. I highly recommend it to anyone interested in beaded purses. 4 of 4 people found the following review helpful. Nicely done. By Rebecca D. Perry This book is very nicely done. It is easy to understand with great illustrations and instructions for making some lovely beaded purses. 1 of 1 people found the following review helpful. Five Stars By Lois J. Green Excellent follow up book with lots of fun projects to bead.
