Five StarsBy AnnieSuch cute blocks to play with and be creative, love this pattern book. 1 of 1 people found the following review helpful. Beautiful BookBy V. GallagherIt's been nice to be able to get Debbie's books via even though they are no longer being published. Have been able to add four of her books to my knitting library and am looking forward to using some of her techniques in the book.

A follow-up to the successful Blankets Throws to Knit, this stylish collection includes more than 100 new squares to use as building blocks for your blankets. They employ a range of techniques, from intarsia to textured stitches, with some done in clean, matte cottons, and others in soft, fuzzy winter yarns. The 12 projects include a colorful first coverlet for baby, a subtly patterned blanket with beads and buttons, and a Denim Hearts Afghan.

About the AuthorDebbie Abrahams is renowned for her vibrant, contemporary, and inspiring hand-knit designs, along with her keen eye for color and stitch detail. Previously a Design Consultant Manager for Rowan Yarns, Debbie now
