This volume in the Hagen-Renaker series of books continues where the first two left off, featuring models or colors not covered in the other books and catching up with more recently released figurines and a multitude of interesting pottery items in between. The chapters feature numerous horses, cats, dogs, other animals, Disney characters, and dealer special runs. The Albert Staehle Saturday Evening Post dog, Butch, has a special feature, as do some of the Zany Zoo critters and the popular Little Horribles. There are also many unique, rare treasures not commonly seen, and a section on imitations. Finally, the book features a tribute to several of the talented artists and craftspeople who were with Hagen-Renaker pottery since the early 1950s. Nearly 500 images fill this book, along with detailed, informative

text and suggested prices to enhance the value of this reference.
