I decided I wanted to learn how to do this and extend my creativity to include this field. This book is so easy to understand and the projects are very well organized. I can accomplish a few of these easily in a small apartment. Thanks! 0 of 0 people found the following review helpful. Five Stars By Susan Three Hawks good 1 of 1 people found the following review helpful. Not what I expected By Mary Pierce The stools are nice but most of the others not what I was looking for. Information and instructions are clear and helpful. would not recommend to anyone.

A master of mosaics presents 20 gorgeous new projects for the contemporary home.

"Martin's Cheek's latest book is sure to spark interest among amateurs and experts alike. The experienced mosaicist may learn about techniques not yet mastered or new materials, while the amateur can learn about essential tools and basic methods." Groutine
