DMC : Mother Baby Animals Cross Stitch before purchasing it in order to gage whether or not it would be worth my time, and all praised Mother Baby Animals Cross Stitch:

0 of 0 people found the following review helpful. Such cute and fun patterns!By Nola HThis is a really cute pattern book. The seller's description of the item was accurate.0 of 0 people found the following review helpful. Scenic, realistic animals -- love it!By MarixstitchBeautiful designs! Look inside to see the lovely graps and artwork of a truly talentedArtist! The graps are in color and I like it tat way -- if you prefer black/white just copy them! Fantastic, life-like animals! I recommend it - highly!1 of 1 people found the following review helpful. WOW!!!!!!!!!!!!!!!!!!!!!!!!!!!!By pheonix_animethis book is MORE then I expected it is STUNNING and that doesnt really do it justice, the projects seem very advanced to me since im a beginner but im eager to try to do them they are just that good. all the patterns are baised on paintings.

It will be hard to resist the stunningly realistic animal artworks that come to life in cross stitch, with this wonderful collection of designs from internationally acclaimed wildlife artist, Pollyanna Pickering. Driven by the beauty of the wilderness, Pollyanna has traveled to remote parts of the world to encounter animals in their natural habitat. This amazing collection of cross-stitch designs allows you to share her experiences in stitches. Sixteen beautiful designs celebrate the special bond between a mother and her young, with a wide range of animals represented including tigers, elephants, pandas, polar bears and more. Features clear full-color charts and photographs, easy-to-follow stitching instructions and inspiring project ideas for adapting the designs.

About the Author Pollyanna Pickering is one of Europe's foremost wildlife artists and is the most published fine artist working in Britain today. DMC Creative World is a worldwide textile company established in France over 250 years ago, with subsidiaries throughout the world. They have built a reputation for excellence in the global needlecraft market and specialize in hand embroidery products.
