Yoko Suzuki : My Crochet Laces before purchasing it in order to gage whether or not it would be worth my time, and all praised My Crochet Laces:

1 of 1 people found the following review helpful. The charts are easy to follow By Pauline: Blessed Grenadian I've made almost everything from this book, and a few items more than twice! The charts are easy to follow, the added instructions are clear and the designs are timeless. Wish there were more books like this!

35 different designs in crochet and filet crochet, diagrammed or charted, with perfect color photos of the perfectly executed samples.
