By Arctic Fox I've looked at a lot of adult coloring books and just never found one I liked enough to buy until I found this one. The art is detailed and fun and the pictures not too complicated for me. You can color simply or add lots of color and really detail it out if you like but for people like me it's great because the thick lines are much appreciated since I am not very artsy. Opposite me is my daughter who is artsy and she wants her own copy because she will make her pages much more intricate. That's the great thing about this book...it works for both types! I have always been partial to unicorns and there are several featured in this book. The price on this book is also very reasonable. I am very happy with this Christmas gift I got for myself! 0 of 0 people found the following review helpful. An awesome coloring experience By Customer Very unique artwork! An awesome coloring experience! 2 of 2 people found the following review helpful. Hilarious enjoyment for

every age, every hobby! By Zoe Bug Do you like a little bit of everything? Humor, comics, fantasy, dragons... all of it can be found RIGHT HERE! This coloring book is chock full of creatures and characters from the mind of artist Aillen Taylor, and not a single one of them leaves room for disappointment! From abstract unicorns, to dragons in peculiar situations, to mushroom fairy superheroes! You can make up your own stories while you color these pictures, and they all have a story to tell! The images in Mythical Creatures are appropriate for all ages, and all ages will enjoy them! If you're looking for a gift for someone and you're not sure what they like (but you know they love to color), THIS IS THE BOOK TO GIVE! I noticed in the back of the book is a preview of Taylor's upcoming book, Little Monsters, which looks like like it will have some delightful mischief! I cant wait to see what's next!

Mythical Creatures: Dragons, Unicorns, and Fairies will put a smile on your face and remind you that there is magic in the world! This coloring book contains 30 original hand-drawn illustrations covering a range of styles and complexity, providing hours of fun and relaxation for adults or the whole family.
