Daniel Howard : Native Americans before purchasing it in order to gage whether or not it would be worth my time, and all praised Native Americans:

1 of 1 people found the following review helpful. Very nice.By KVMVery cute pictures and great sharing with grandchildren explaining our culture with them.0 of 1 people found the following review helpful. Really DisappointedBy Barbara OgburnReally disappointed with this book.....looks like a child drew it! I won't even waste my time coloring it! It's good I have small grandchildren that I can give it to.0 of 1 people found the following review helpful. Won't buy againBy Vickie C.Looks like a child made this sorry, it needed to have more details being Native Americans

Adult coloring book all hand drawn images, some with very fine detail, others much simpler to color...single sided pages. Something for everyone including some Native American Folklore. Check out the other hand drawn art Adult
